## **AUCTION SALE RULES**

### **To be Sold under the Livestock Auctioneers Association Conditions of Sale.**

Maiden heifers stated to be sold for breeding purposes.

The vendor warrants a maiden heifer stated in the catalogue or at the time of sale to be sold for breeding purposes to be free from any malformation which would render the animal incapable of breeding. The warranty is a 5 day warranty if the malformation is patent or a 6 month + 5 day warranty if the malformation is latent.

If the purchaser proves a breach of warranty the purchaser may return the animal to the vendor. Notice of claim must be supported by a veterinary surgeon's certificate.

Cows or heifers sold as being in milk and/or in calf. The vendor warrants a cow or heifer in calf and/or in milk:

- (a) To be correct in the udder and teats;
- (b) Not to be infected with clinical mastitis; and,
- (c) Not to suck any other animal or herself.

The warranties in conditions (a) & (b) is an after sale warranty which shall run from the close of the day's sale or until the animal is removed from the sale premises, whichever is sooner.

The warranty in conditions (c) is a 5+5 day warranty.

Cleansing: The vendor warrants that all newly calved cows and heifers have cleansed satisfactorily before the sale. This warranty is a 3 day warranty in which any claim made by the purchaser must be supported by a veterinary surgeon's certificate. The vendor is obliged to pay for the cost of one wash out.

Cows or heifers sold as served or guaranteed in calf.

When an animal stated to have been served less than 10 weeks prior to the sale and is pregnancy diagnosed positive, this is given as guidance only and carries no warranty. If a cow or heifer has been positively diagnosed as 10 weeks or more in calf at the time of sale and thereafter is proved to be not in-calf, and a Veterinary Surgeon's certificate to that effect is produced there is a 38 + 5 day warranty.

Where a cow or heifer is sold as 'having run with a bull' no warranty as to the animal being in calf at the time of sale is given.

Breeding Stock Bulls: The vendor warrants that any bull 10 months or over sold as a stock bull is capable of and effective at natural service. This warranty is a 16 week warranty.

The descriptions are supplied by the vendor and whilst they are believed to be correct this catalogue in no way shall guarantee their accuracy. Full Conditions of Sale can be found in the Market Office.
