### **STORE CATTLE**

A good number to our TB market this month, 180 cattle of all ages which still sold well to a big number of buyers, some new and some old. Top spot going to AJM & PJP Ead of St Austell with a lovely run of Aberdeen Angus and Limousin x Cattle, their best a pen of six at 22 month old long and strong Steers away to £1655, next a pair of flashy red Limousin x Steers to £1565 and another pair away at £1450 at 18 months. Close behind was GG Smale & Son of Launceston with a pen of five strong Hereford x Steers with frame and fleshing to £1590. RJ & ME Butter of North Hill saw the best

of is run of British Blue x and Friesians to £1575 for a wonderful British Blue x Steer with a great outlook and fleshing.

Heifers – Best of the Heifers again from the Ead Family with a super red Limousin x Heifer, well shaped and plenty of flesh, not so big but went on to make £1300, with a pen of three at 22 months to £1170. GG Smale back in with a pen of super shaped Hereford x Heifers at 25 months to £1220. Young fresh Steers from Duchy College at 14-15 months sold away at £800 and a pen of Flekvieh Heifers at the same age with plenty of growth also at £800.
