The warranty is a **5 day warranty** if the malformation is patent or a **6 month + 5 day warranty** if the malformation is latent.

If the **purchaser** proves a breach of warranty the **purchaser** may return the animal to the **vendor**. Notice of claim must be supported by a **veterinary surgeon's certificate**.

- (c) Not to suck any other animal or herself; and

Herd Dispersal Sale (Sold on Guinness £1.05)

**N J & L GOLDSWORTHY
FURDA FARM, TREGONY, TRURO, CORNWALL, TR2 5TA**

Kivells are delighted to have received instructions on behalf of Nigel & Lorraine Goldsworthy of Furda Farm, Tregony, Truro to disperse their mainly British Friesian Herd which is being removed to Exeter Livestock Centre for convenience of sale on Friday 13th September 2024.

The herd was established in 1963 by Nigel's parents Jim & Vida Goldsworthy. Nigel has been farming at Furda for 57 years, since he left school at the age of 15. Nigel & Lorraine took over the management of the farm in 1983 and have now made the decision to retire from dairy farming.

The herd converted to a flying herd 8 years ago and Nigel and Lorraine have bought quality dairy cattle from both Exeter and Holsworthy markets. It is a grass-based system, the cows diet consists of round bale silage and cake in the parlour (No TMR). The cows are loosed housed in the winter months and milked through a herringbone parlour. The cows are grazed from March-October.

The herd is all-year round calving with Genus RMS used for breeding. A combination of Beef AI has been used consisting of mainly British Blue with some Aberdeen Angus services.

The herd is averaging approximately 6,500Kgs at 4.15%BF 3.41%PTN

Auctioneers Comments:

Nigel and Lorraine are a dedicated farming couple who have been strong supporters of Kivells dairy sales for many years. Their commercial herd are farmed on a very simple and straight forward system and would have the potential to go onto more intensive systems and perform well. We would like to take this opportunity to thank Nigel and Lorraine for their past dairy business and wish them all the best for the future.
