720 Tractors, Machinery & Effects – Auctioneer: David Kivell & Charlie Kivell

A tremendous entry in the online section this month with a whopping 720 lots on offer which achieved a 93% clearance and 621 out of a possible 720 lots receiving online bids.

Another impressive lineup of tractors/diggers again this month with 12 on offer. Top shots fired at £24,000 for a tidy example of a 2017 Wacker Neuson 9T digger. £7,400 was achieved for a 1995 Matbro TS260 in good working order. Top of the tractors was £6,000 for a 1991 John Deere 2650 with front linkage. Closely following the trade was £5,900 for a Renault loader tractor with pallet forks and a bucket. A John Deere 2140 with a 245 loader went under the hammer for £5,400. A tidy example of a 2019 Kawasaki mule 5X sold for £4,800. A JCB telehandler in good working order sold for £3,900 and went locally.

The trailers keep rolling in with 26 on offer. £5,200 was the top of the trailers where a 14T Bailey silage trailer went under the hammer. A 12T NC dump trailer topped at £4,400 closely followed by £4,100 for a 14ft Ifor Williams livestock box.

408 Smaller Machinery & Goods – Auctioneers: David Kivell

Considering the adverse weather, we still had a wonderful turnout of lots on the 'topside' with 408 lots forward.

Top price on this section was £400 given for a 6KVA generator going on to a local buyer. Another highlight price was £300 for a tyre, changer and balancer.

The best of the scaffolding made £105, chainsaws to £100 for a Stihl 170 and dumpy bags of logs sold very well with many a bag over £90 and lots more bags sold for £70 and £90. Dartmoor saddle stones reached £80 and a pressure washer making £70.

Top call of the day was for large bags of James Wellbeloved making £20 each. Other dog foods such as Forthglade, Autarkey Grain Free and Collards Dog making between £14 and £18 respectively. Cat food topped at £13.
