Tradition Meets Technology

Our team of Machinery Auctioneers & Coordinators are at hand to sell your farm machinery whether it be on site, online or at one of our many collective auctions conducted throughout the South West and beyond.

Kivells Machinery & Equipment Sales Online | On Site | On Market Premises

- 'Our expertise centres around the agricultural sector and as our clients have diversified so have we.
- We sell a huge range of machinery and equipment both into and out of the sector.
- Our online service offering is market leading and the feedback we have received both from our vendors and buyers bears that out. We are proud of our reputation and we are confident the choice of MartEye as Kivells online service partner will add to that.
- Our policy is to offer the best online capability combined with tried and tested traditional methods. We recognise the role auctions play in the agricultural community enabling people to gather and meet and the wellbeing benefits that brings. It is all about achieving the right balance in a safe environment and at the same time maximise the realisation for our vendors and ease of use for our buyers. We believe Kivells combination of market leading sales technology and respect for tradition does just that.'

Thinking of Selling? Feel free to contact me or any of our team for a confidential discussion. It is never too early to plan and prepare'.
